GRANDMA ROSIE'S AMERICAN COMFORT FOOD

20 all-American favorites, made with a little more love

BIG FLAVOR • CLEAR STEPS • NO BORING BITES

The good stuff belongs at home.

BURGERS • BREAKFAST • COMFORT FOOD • DESSERT

A cook-at-home companion to the Grandma Rosie 15-second recipe series

PULL UP A CHAIR

Welcome to Rosie's kitchen.

The videos may be 15 seconds. Dinner still takes the time it takes.

This book is the cook-at-home companion to the Grandma Rosie recipe series: twenty familiar American favorites, written for real kitchens and hungry people. You will find crisp burgers, creamy pasta, breakfast sandwiches, quick snacks, and a few sweet reasons to preheat the oven.

Every recipe starts with a finished-dish image and a three-panel prep, cook, and finish illustration. You will also find the yield, timing, equipment, measured ingredients, clear steps, and a practical storage note. The photos are visual inspiration; ingredients, brands, ovens, and plating can change the final look.

Rosie's rule is simple: no long introductions, no mystery measurements, and no shame in using a shortcut when the day is busy. Read the recipe through once, gather what you need, and let the skillet do the talking.

GRANDMA ROSIE SAYS

Good food doesn't need a long speech.

It needs a hot pan, a little patience, and enough cheese.

A note on the character: Grandma Rosie is a fictional cooking persona created for this collection.

THE ROSIE KITCHEN GUIDE

A few good things to know.

The recipes use familiar U.S. kitchen measures first. Metric amounts are practical approximations; for baking, a scale is the surest way to get consistent results.

MEASUREMENTS

- 1 cup liquid = 240 ml
- 1 tablespoon = 15 ml
- 1 teaspoon = 5 ml
- 1 ounce = about 28 g
- Spoon flour into the cup and level it; don't pack it.

OVEN CONVERSIONS

- 325°F = 165°C
- 350°F = 175°C
- 375°F = 190°C
- 400°F = 200°C
- 425°F = 220°C

SAFE TEMPERATURES

- Ground beef: 160°F / 71°C
- Poultry: 165°F / 74°C
- Reheated leftovers: 165°F / 74°C
- Use an instant-read thermometer in the thickest part.

A FEW KITCHEN HABITS

- Preheat the oven fully.
- Grate cheese from a block for smoother melting.
- Keep raw meat separate from ready-to-eat foods.
- Refrigerate perishable leftovers within 2 hours.

People with food allergies should check every package label and adapt the recipe safely.

SEAR

BUILD

Grandma Rosie's Smash Burger

A crisp-edged, juicy burger with the kind of cheese pull that ends the conversation.

PREP 10 min**COOK 10 min****TOTAL 20 min****MAKES 4 burgers****INGREDIENTS**

- 1 lb (450 g) 80/20 ground beef, cold
- 4 soft burger buns, split
- 4 slices American cheese
- 1 tsp kosher salt, divided
- 1/2 tsp freshly ground black pepper
- 1 tsp neutral oil, for the pan
- 1/4 cup (60 g) mayonnaise
- 1 tbsp ketchup
- 1 tsp yellow mustard
- 1 tsp pickle brine, plus dill pickles to serve

YOU'LL NEED

12-inch cast-iron or heavy skillet, sturdy spatula, parchment paper

RECIPE 01 / BURGERS & SANDWICHES

Grandma Rosie's Smash Burger

Let's make it.

20 MIN TOTAL

- 1 MIX THE ROSIE SAUCE**
Stir the mayonnaise, ketchup, mustard, and pickle brine together. Set it near the stove so the burgers can be assembled while hot.
- 2 TOAST THE BUNS**
Heat the dry skillet over medium heat. Toast the cut sides of the buns until golden, about 45 seconds. Set aside.
- 3 SMASH FOR THE CRUST**
Raise the heat to high and add the oil. Divide beef into four loose balls. Working one at a time, place a ball in the pan, cover with parchment, and press firmly with a sturdy spatula until about 1/4 inch (6 mm) thick. Season with salt and pepper.
- 4 FLIP AND MELT**
Cook without moving for 1 1/2 to 2 minutes, until the edges are deeply browned. Scrape underneath, flip, add a slice of cheese, and cook 45 to 60 seconds more, until the beef reaches 160°F (71°C) and the cheese melts.
- 5 BUILD THE BURGER**
Spread sauce on the buns, add the hot patty and pickles, close the bun, and serve right away. For a double, stack two patties per bun.

ROSIE'S TIP

Don't pack the beef into a tight meatball. Loose beef makes the lacy, crispy edges that a thick patty can only dream about.

MAKE AHEAD & STORAGE

Best eaten immediately. Refrigerate cooked patties in a sealed container for up to 3 days; reheat in a skillet until steaming hot.

SERVE IT WITH

Serve with crinkle-cut fries, a dill pickle, and extra Rosie sauce.

START

Add dry pasta and milk to the pot.

SIMMER

Stir often until just tender.

FINISH

Fold in cheddar until glossy.

Three-Ingredient Stovetop Mac & Cheese

Creamy, cozy, and made without a powdered orange packet in sight.

PREP 5 min**COOK 15 min****TOTAL 20 min****MAKES 4****INGREDIENTS**

- 8 oz (225 g) elbow macaroni
- 3 cups (720 ml) whole milk, plus a splash if needed
- 2 cups (200 g) sharp cheddar, freshly grated
- Kosher salt, optional and not counted among the three main ingredients

YOU'LL NEED

Medium heavy-bottomed saucepan, wooden spoon, box grater

RECIPE 02 / COMFORT FOOD

Three-Ingredient Stovetop Mac & Cheese

Let's make it.

20 MIN TOTAL

- 1 WARM THE PASTA AND MILK**
Put the macaroni and milk in a heavy saucepan. Bring to a gentle simmer over medium heat, stirring often and scraping the corners so nothing sticks.
- 2 COOK UNTIL JUST TENDER**
Keep the milk at a quiet simmer, never a hard boil. Cook 9 to 12 minutes, stirring every 30 seconds, until the pasta is al dente and most of the milk has thickened around it.
- 3 MAKE IT CHEESY**
Turn off the heat. Add the cheddar in three handfuls, stirring until each addition melts before adding the next. Taste and add a small pinch of salt if the cheese needs it.
- 4 REST AND SERVE**
Let the pot stand for 2 minutes; the sauce will cling to the noodles as it settles. If it becomes too thick, stir in warm milk 1 tablespoon at a time.

ROSIE'S TIP

Grate the cheese yourself. Pre-shredded cheese is coated to keep it separate, and that coating can make a silky sauce turn grainy.

MAKE AHEAD & STORAGE

Refrigerate for up to 3 days. Reheat gently on the stove with 1 to 2 tablespoons of milk per serving; do not boil.

SERVE IT WITH

Add a green salad or roasted broccoli if you want to pretend this is a balanced dinner. I won't tell.

INGREDIENTS

- 1 1/2 lb (680 g) chicken tenderloins
- 1 cup (240 ml) buttermilk
- 1 large egg
- 3/4 cup (95 g) all-purpose flour
- 1 1/2 cups (90 g) panko breadcrumbs
- 1 tsp paprika
- 1 tsp garlic powder
- 1 tsp kosher salt
- 1/2 tsp black pepper
- Neutral-oil spray
- For dipping: 1/4 cup mayonnaise, 1 tbsp honey, and 1 tsp Dijon mustard

YOU'LL NEED

Air fryer, three shallow bowls, instant-read thermometer

RECIPE 03 / FAST-FOOD FAVORITES

Air-Fryer Crispy Chicken Tenders

Let's make it.

32 MIN TOTAL

- 1 SEASON THE CHICKEN**
Pat the tenders dry. Whisk the buttermilk and egg in one bowl. In a second bowl, combine flour, paprika, garlic powder, salt, and pepper. Put panko in a third bowl.
- 2 BREAD EACH TENDER**
Coat a piece of chicken in seasoned flour, dip it in the buttermilk mixture, then press it into the panko. Set on a rack and repeat. Let the coating sit for 5 minutes so it adheres.
- 3 AIR-FRY IN BATCHES**
Heat the air fryer to 400°F (200°C). Arrange tenders in one layer with space between them; spray the tops lightly with oil. Cook 10 to 12 minutes, turning once, until deeply golden and 165°F (74°C) inside.
- 4 STIR THE DIP**
While the chicken cooks, stir mayonnaise, honey, and Dijon together. Add a pinch of salt if desired. Serve the tenders hot with the dip.

ROSIE'S TIP

If the basket is crowded, the coating steams instead of crisping. Give each tender a little personal space; even chicken needs boundaries.

MAKE AHEAD & STORAGE

Refrigerate for up to 3 days. Re-crisp in an air fryer at 350°F (175°C) for 3 to 5 minutes; avoid microwaving if you want to keep the crunch.

SERVE IT WITH

Try honey mustard, ranch, barbecue sauce, or a squeeze of lemon with crunchy slaw.

INGREDIENTS

- 2 tbsp (25 g) granulated sugar
- 2 tsp baking powder
- 1/2 tsp baking soda
- 1/2 tsp kosher salt
- 1 1/4 cups (300 ml) buttermilk
- 1 large egg
- 3 tbsp (42 g) unsalted butter, melted and cooled
- 1 tsp vanilla extract
- Butter and maple syrup, for serving

YOU'LL NEED

Two mixing bowls, whisk, nonstick skillet or griddle

RECIPE 04 / BREAKFAST & BRUNCH

Fluffy American Buttermilk Pancakes

Let's make it.

25 MIN TOTAL

- 1 WHISK THE DRY INGREDIENTS**
In a large bowl, whisk the flour, sugar, baking powder, baking soda, and salt until evenly combined.
- 2 MIX THE WET INGREDIENTS**
In another bowl, whisk the buttermilk, egg, melted butter, and vanilla. Pour into the dry ingredients and fold just until no dry flour remains. A few small lumps are welcome.
- 3 HEAT THE GRIDDLE**
Warm a lightly buttered skillet over medium heat, about 350°F (175°C). A drop of water should dance and disappear, not smoke.
- 4 COOK THE PANCAKES**
Pour 1/4 cup (60 ml) batter for each pancake. Cook until bubbles appear and the edges look set, about 2 minutes. Flip once and cook 1 to 2 minutes more until golden and springy.
- 5 SERVE WARM**
Stack the pancakes, add butter, and drizzle with maple syrup. Keep finished pancakes on a rack in a 200°F (95°C) oven while you cook the rest.

ROSIE'S TIP

Stop mixing when the flour disappears. Smooth batter makes flat pancakes; a few lumps make the tall, fluffy ones.

MAKE AHEAD & STORAGE

Refrigerate cooked pancakes for up to 3 days or freeze between parchment sheets for 2 months. Reheat in a toaster or a 300°F (150°C) oven.

SERVE IT WITH

Fresh berries, sliced bananas, crisp bacon, or a spoonful of peanut butter all feel right at the breakfast table.

INGREDIENTS

- 4 English muffins, split
- 8 slices bacon
- 4 large eggs
- 4 slices American cheese
- 1 tbsp (14 g) unsalted butter
- Kosher salt and black pepper
- Hot sauce or ketchup, optional

YOU'LL NEED

Large skillet, small nonstick skillet, paper towels

RECIPE 05 / BREAKFAST & BRUNCH

Bacon, Egg & Cheese Breakfast Sandwich

Let's make it.

20 MIN TOTAL

1

COOK THE BACON

Place bacon in a cold skillet and set over medium heat. Cook, turning as needed, until crisp, 8 to 10 minutes. Transfer to paper towels and pour off all but 1 teaspoon of the drippings.

2

TOAST THE MUFFINS

Toast the English muffins cut-side down in the same skillet until golden, 1 to 2 minutes. Keep warm.

3

FRY THE EGGS

Melt the butter in a nonstick skillet over medium-low heat. Crack in the eggs, season lightly, and cook until the whites are fully set and the yolks are cooked to your preference. For a neat stack, break the yolks and fold each egg into a square; cook until no liquid egg remains.

4

MELT AND STACK

Place a slice of cheese on each hot egg for 30 seconds. Set the eggs on the toasted muffin bottoms, add two bacon slices, close the sandwiches, and serve.

ROSIE'S TIP

Low heat gives you tender eggs. High heat gives you a rubber coaster with ambitions.

MAKE AHEAD & STORAGE

For meal prep, cool the cooked eggs and bacon completely, then refrigerate separately for up to 3 days. Assemble and reheat just before eating.

SERVE IT WITH

Add a sliced tomato, a little hot sauce, or a hash-brown patty tucked right inside.

YOU'LL NEED

RECIPE 06 / FAST-FOOD FAVORITES

Cheesy Weeknight Beef Tacos

Let's make it.

25 MIN TOTAL

1

BROWN THE BEEF

Heat a skillet over medium-high. Add the beef and cook, breaking it into small crumbles, until no pink remains and the meat reaches 160°F (71°C), about 6 to 8 minutes. Drain excess fat if needed.

2

SEASON AND SIMMER

Stir in chili powder, cumin, paprika, garlic powder, salt, and water. Simmer uncovered for 4 to 5 minutes, stirring occasionally, until glossy and lightly saucy.

3

WARM THE SHELLS

Arrange taco shells on a sheet pan and warm according to the package directions, usually 3 to 5 minutes at 350°F (175°C).

4

FILL AND FINISH

Divide the beef among the shells. Top with cheddar, lettuce, tomato, and sour cream. Serve at once while the shells are crisp.

ROSIE'S TIP

Let the beef simmer with the spices for a few minutes. A packet dumped over dry meat is not a seasoning strategy; it's a cry for help.

MAKE AHEAD & STORAGE

Refrigerate the beef separately for up to 3 days. Reheat until steaming hot, then fill freshly warmed shells so they stay crunchy.

Set out salsa, lime wedges, pickled jalapeños, and guacamole so everyone can build their own.

- 1 cup (240 ml) marinara sauce
- 2 cups (200 g) shredded low-moisture mozzarella

- Fresh basil, for finishing

YOU'LL NEED

Rimmed sheet pan, small bowl, sharp bread knife

RECIPE 07 / SNACKS & SIDES

Garlic-Butter Pizza Bread

Let's make it.

25 MIN TOTAL

1

HEAT THE OVEN

Set a rack in the center and heat the oven to 425°F (220°C). Line a sheet pan with parchment.

2

MAKE GARLIC BUTTER

Stir the softened butter, grated garlic, and Italian seasoning together. Split the baguette lengthwise and place cut-side up on the pan.

3

TOAST THE BREAD

Spread the garlic butter over the cut surfaces. Bake 4 to 5 minutes, just until the edges begin to crisp. This quick toast helps keep the bread from turning soggy.

4

TOP AND BAKE

Spoon marinara over the bread, leaving a narrow border. Scatter mozzarella and Parmesan evenly. Bake 8 to 10 minutes, until the cheese bubbles and the edges are golden.

5

SLICE AND SERVE

Rest 2 minutes, add basil, and cut into thick pieces with a serrated knife.

ROSIE'S TIP

Toast the bread before adding sauce. Soggy pizza bread is just a very confused sponge.

MAKE AHEAD & STORAGE

Store leftovers in the refrigerator for up to 2 days. Reheat on a sheet pan at 375°F (190°C) for 6 to 8 minutes; the microwave softens the crust.

SERVE IT WITH

A bowl of marinara for dipping and a simple green salad make this a proper lunch.

- 1/3 cup (80 g) sour cream
- 2 green onions, thinly sliced
- 1 small jalapeño, seeded and sliced, optional
- Black pepper, to taste

YOU'LL NEED

Sheet pan or air fryer, oven-safe serving dish, skillet

RECIPE 08 / SNACKS & SIDES

Loaded Cheesy Fries

Let's make it.

40 MIN TOTAL

- 1 CRISP THE FRIES**
Heat the oven to the temperature on the fry package, usually 425°F (220°C). Spread fries in a single layer on a preheated sheet pan and bake, turning once, until deeply golden and crisp, about 25 to 30 minutes. Air-fry in batches if preferred.
- 2 COOK THE BACON**
While the fries bake, cook bacon in a skillet over medium heat until crisp. Drain on paper towels, then crumble.
- 3 MELT THE CHEESE**
Pile the hot fries in an oven-safe dish. Scatter cheddar and bacon over the top. Return to the oven for 2 to 3 minutes, just until the cheese melts.
- 4 FINISH AND SHARE**
Dollop with sour cream and finish with green onions, jalapeño, and black pepper. Serve immediately with forks for the table.

ROSIE'S TIP

Crisp the fries first and add cheese second. If you cover them from the start, you get steamed potato sticks. Nobody ordered that.

MAKE AHEAD & STORAGE

These are best straight from the oven. Refrigerate leftovers for up to 2 days and re-crisp uncovered at 400°F (200°C) for 8 to 10 minutes.

SERVE IT WITH

Add ranch or barbecue sauce on the side. For a heartier plate, top with leftover taco beef or pulled chicken.

- 1 tsp Dijon mustard, optional
- Tomato soup, for serving

YOU'LL NEED

Large skillet or griddle, spatula, box grater

RECIPE 09 / COMFORT FOOD

Crispy Two-Cheese Grilled Cheese

Let's make it.

20 MIN TOTAL

- BUILD THE SANDWICHES**
Mix cheddar and Monterey Jack. Spread butter on one side of each bread slice. Turn four slices butter-side down; spread a thin swipe of Dijon on the inside if using and add the cheese. Close with the remaining bread, butter-side out.
- COOK LOW AND SLOW**
Heat a skillet over medium-low. Cook sandwiches in batches for 3 to 4 minutes per side, pressing gently with a spatula, until the bread is evenly golden.
- LET THE CHEESE CATCH UP**
If the bread is browning before the cheese melts, lower the heat and cover the skillet for 1 minute. Remove the lid for the last 30 seconds to keep the crust crisp.
- SLICE AND SERVE**
Rest each sandwich for 1 minute, then cut diagonally. Serve with hot tomato soup for dunking.

ROSIE'S TIP

Low heat is the secret. A sandwich is not late for work; give the cheese time to melt before you rush it.

MAKE AHEAD & STORAGE

Grilled cheese is best fresh. If needed, cool and refrigerate for up to 1 day, then reheat in a dry skillet over low heat until crisp and hot.

YOU'LL NEED

Small saucepan, large skillet or griddle, tongs

RECIPE 10 / FAST-FOOD FAVORITES

Buffalo Chicken Crunch Wraps

Let's make it.

20 MIN TOTAL

- 1 WARM THE BUFFALO CHICKEN**
Combine the cooked chicken and wing sauce in a small saucepan over medium-low heat. Stir until hot, about 3 minutes. Taste before adding extra salt; bottled sauce is already seasoned.
- 2 FILL THE TORTILLAS**
Warm tortillas briefly in a dry skillet so they bend without cracking. Place chicken down the center of each, then add cheddar, lettuce, and a drizzle of dressing.
- 3 ROLL TIGHTLY**
Fold the sides inward, then roll from the bottom into a snug wrap. Keep the seam underneath.
- 4 TOAST AND SERVE**
Melt butter in a skillet over medium. Cook wraps seam-side down for 2 minutes, then turn and toast the other side until golden and the cheese melts. Cut in half and serve with celery.

ROSIE'S TIP

Put the seam down first. Gravity is a free kitchen helper, and it keeps the good bits from escaping.

RECIPE 11 / COMFORT FOOD

Loaded Baked Potatoes

Let's make it.

70 MIN TOTAL

1

HEAT AND PREP

Heat the oven to 425°F (220°C). Scrub and dry the potatoes. Pierce each one 6 to 8 times with a fork so steam can escape.

2

BAKE UNTIL FLUFFY

Rub the skins with olive oil and 1/2 teaspoon salt. Set potatoes directly on a rimmed baking sheet and bake 50 to 65 minutes, turning once, until a knife slides easily into the center.

3

COOK THE BACON

While the potatoes bake, cook bacon in a skillet until crisp. Drain, cool slightly, and crumble.

4

FLUFF AND LOAD

Cut a slit down each potato and squeeze the ends gently to open. Fluff the inside with a fork, add butter, then cheddar, bacon, sour cream, chives, the remaining salt, and pepper.

5

SERVE HOT

Return the loaded potatoes to the oven for 2 minutes if you want the cheese extra melty. Bring them to the table while the centers are still steaming.

ROSIE'S TIP

Dry the skins before oiling them. If the skin isn't crisp, the potato is still wearing its pajamas.

MAKE AHEAD & STORAGE

Refrigerate un-topped baked potatoes for up to 4 days. Reheat at 375°F (190°C) until hot, then add fresh toppings. Do not leave cooked potatoes at room temperature for more than 2 hours.

RECIPE 12 / COMFORT FOOD

Creamy Garlic Parmesan Pasta

Let's make it.

30 MIN TOTAL

- 1 BOIL THE PASTA**
Bring a large pot of water to a boil and salt it until it tastes pleasantly seasoned. Cook fettuccine according to the package, stopping 1 minute before fully tender. Reserve 1 cup pasta water, then drain.
- 2 SOFTEN THE GARLIC**
While the pasta cooks, melt butter in a large skillet over medium-low heat. Add garlic and cook 30 to 45 seconds, stirring constantly, until fragrant but not browned.
- 3 MAKE THE CREAM SAUCE**
Pour in the cream and bring to a gentle simmer. Cook 3 to 4 minutes, stirring, until slightly thickened. Lower the heat and whisk in Parmesan, salt, and pepper.
- 4 TOSS UNTIL GLOSSY**
Add drained pasta and toss with tongs for 1 to 2 minutes. Add pasta water a splash at a time until the sauce coats every ribbon and looks silky.
- 5 FINISH AND SERVE**
Taste for salt, scatter with parsley and extra Parmesan, and serve immediately. The sauce thickens as it stands, so keep a little pasta water nearby.

ROSIE'S TIP

Freshly grated Parmesan melts smoothly. The bagged stuff can clump up when it gets hot, and I don't need any more drama in this kitchen.

MAKE AHEAD & STORAGE

Refrigerate for up to 3 days. Reheat gently in a skillet with a splash of milk or water, stirring until hot; do not let the cream sauce boil hard.

SERVE IT WITH

Garlic bread and a crisp green salad are the classic partners.

PREP 15 min**COOK 15 min****TOTAL 30 min****MAKES 4 burgers****INGREDIENTS**

- 1 1/4 lb (570 g) 80/20 ground beef
- 8 strips bacon
- 4 brioche buns, split
- 4 slices sharp cheddar
- 1 tsp kosher salt
- 1/2 tsp black pepper
- 4 lettuce leaves and 4 tomato slices
- 1/4 cup (60 g) mayonnaise
- 1 tbsp ketchup and 1 tsp yellow mustard

YOU'LL NEED

Large skillet or grill, instant-read thermometer, paper towels

RECIPE 13 / BURGERS & SANDWICHES

Diner-Style Bacon Cheeseburgers

Let's make it.

30 MIN TOTAL

1

COOK THE BACON

Cook bacon in a cold skillet over medium heat, turning until crisp, 8 to 10 minutes. Transfer to paper towels. Pour off the grease and wipe the skillet carefully.

2

SHAPE THE PATTIES

Divide beef into four portions and shape gently into patties about 4 1/2 inches (11 cm) wide. Press a shallow dimple in the center of each so it cooks evenly. Season both sides with salt and pepper.

3

SEAR AND MELT

Heat the skillet over medium-high. Cook patties 3 to 4 minutes per side, without pressing them, until the center reaches 160°F (71°C). Add cheddar during the last minute and cover briefly to melt.

4

TOAST AND ASSEMBLE

Toast the buns cut-side down in the skillet. Stir mayonnaise, ketchup, and mustard. Spread sauce on the buns, then add lettuce, tomato, the patty, and two bacon strips.

ROSIE'S TIP

Don't press a thick patty with your spatula. You want the juices in the burger, not decorating the pan.

MAKE AHEAD & STORAGE

Refrigerate cooked patties and bacon separately for up to 3 days. Reheat patties to steaming hot and build fresh with lettuce and tomato.

SERVE IT WITH

Shoestring fries, onion rings, or a crunchy dill-pickle spear.

- 1 lb (450 g) ribeye, very thinly sliced
- 1 large yellow onion, thinly sliced
- 1 green bell pepper, thinly sliced, optional
Rosie-style addition
- 1 tbsp neutral oil
- 1/2 tsp kosher salt and 1/4 tsp black pepper
- 4 soft hoagie rolls
- 8 slices provolone cheese
- 1 tbsp butter, for the rolls

YOU'LL NEED

Large griddle or wide skillet, sharp knife, tongs

RECIPE 14 / BURGERS & SANDWICHES

Philly-Style Cheesesteak Sandwiches

Let's make it.

35 MIN TOTAL

1

MAKE SLICING EASY

If the steak is not already shaved, place it in the freezer for 20 to 25 minutes until firm but not frozen solid. Slice as thinly as possible across the grain.

2

SOFTEN THE VEGETABLES

Heat half the oil on a griddle or in a wide skillet over medium-high. Add onion and optional pepper. Cook 5 to 7 minutes, stirring, until soft and lightly browned. Transfer to a plate.

3

SEAR THE STEAK

Add the remaining oil. Spread steak in a thin layer and season with salt and pepper. Sear 1 to 2 minutes, turn, then chop and fold with a spatula until just cooked through.

4

MELT THE CHEESE

Return the vegetables to the pan. Divide the mixture into four piles, cover each with two slices of provolone, and cover the pan for 30 to 60 seconds until melted.

5

FILL THE ROLLS

Butter and toast the rolls cut-side down. Use a spatula to lift each cheesy pile into a roll. Serve while the cheese is still stretchy.

ROSIE'S TIP

The beef has to be thin and the pan has to be hot. Peppers are my house-style addition; leave them out for a more traditional order.

MAKE AHEAD & STORAGE

Refrigerate the cooked beef and onions for up to 3 days. Reheat in a skillet until steaming hot and fill fresh rolls; the bread is better toasted at the last minute.

SERVE IT WITH

Kettle chips, a sharp pickle, or a small cup of beef jus for dipping.

TOTAL About 70 min

MAKES 24 cookies

INGREDIENTS

- 2 1/4 cups (270 g) all-purpose flour
 - 1 tsp baking soda
 - 1 tsp kosher salt
 - 1 cup (226 g) unsalted butter, softened
 - 3/4 cup (150 g) packed light brown sugar
- 3/4 cup (150 g) granulated sugar
 - 2 large eggs, room temperature
 - 2 tsp vanilla extract
 - 2 cups (340 g) semisweet chocolate chips
 - Flaky salt, optional

YOU'LL NEED

Stand mixer or hand mixer, two baking sheets, parchment paper, cookie scoop

RECIPE 15 / SWEET THINGS

Classic Chocolate Chip Cookies

Let's make it.

ABOUT 70 MIN TOTAL

- 1 WHISK THE DRY MIX**
In a bowl, whisk flour, baking soda, and salt. Set aside. Heat the oven to 350°F (175°C) and line two baking sheets with parchment.
- 2 CREAM BUTTER AND SUGARS**
Beat butter, brown sugar, and granulated sugar on medium speed for 2 minutes, until light and fluffy. Scrape the bowl. Beat in eggs one at a time, then vanilla.
- 3 FINISH THE DOUGH**
Add the flour mixture on low speed and mix just until combined. Fold in chocolate chips. Cover and chill the dough for 30 minutes; this keeps the cookies thicker and improves the flavor.
- 4 SCOOP AND BAKE**
Scoop 2-tablespoon portions onto the sheets, leaving 2 inches (5 cm) between them. Bake one tray at a time for 10 to 12 minutes, until edges are golden and centers still look slightly soft.
- 5 COOL PATIENTLY**
Sprinkle with flaky salt if you like. Let cookies rest on the tray for 5 minutes, then move to a rack. The centers finish setting as they cool.

ROSIE'S TIP

Pull the cookies while the centers still look a little underdone. Carryover heat finishes them; a clean toothpick would mean you waited too long.

MAKE AHEAD & STORAGE

Keep baked cookies airtight at room temperature for 4 days. Freeze scooped dough balls for up to 2 months and bake from frozen, adding 1 to 2 minutes.

SERVE IT WITH

A cold glass of milk, coffee, or a scoop of vanilla ice cream between two cookies.

INGREDIENTS

- 1 cup (about 300 g) chocolate-hazelnut spread
- 2 large eggs
- 1/2 cup (65 g) all-purpose flour
- Flaky salt, optional; not counted among the three main ingredients

YOU'LL NEED

8-inch (20 cm) square pan, parchment paper, mixing bowl, whisk

RECIPE 16 / SWEET THINGS

Three-Ingredient Fudgy Brownies

Let's make it.

28 MIN + COOL TOTAL

- 1 PREPARE THE PAN**
Heat the oven to 350°F (175°C). Line an 8-inch square pan with parchment, leaving two paper handles so the brownies lift out easily.
- 2 MIX THE BATTER**
Whisk the chocolate-hazelnut spread and eggs until glossy and smooth. Fold in the flour just until no dry streaks remain; overmixing makes a tougher brownie.
- 3 BAKE**
Spread the batter evenly into the pan. Bake 18 to 22 minutes, until the edges are set and a toothpick inserted near the center comes out with a few moist crumbs.
- 4 COOL BEFORE SLICING**
Sprinkle with flaky salt if desired. Cool in the pan for at least 30 minutes, then lift out and cut into 9 large or 12 smaller squares with a warm, clean knife.

ROSIE'S TIP

Brownies keep baking as they cool. If the toothpick comes out completely clean, you've gone one minute too far, dear.

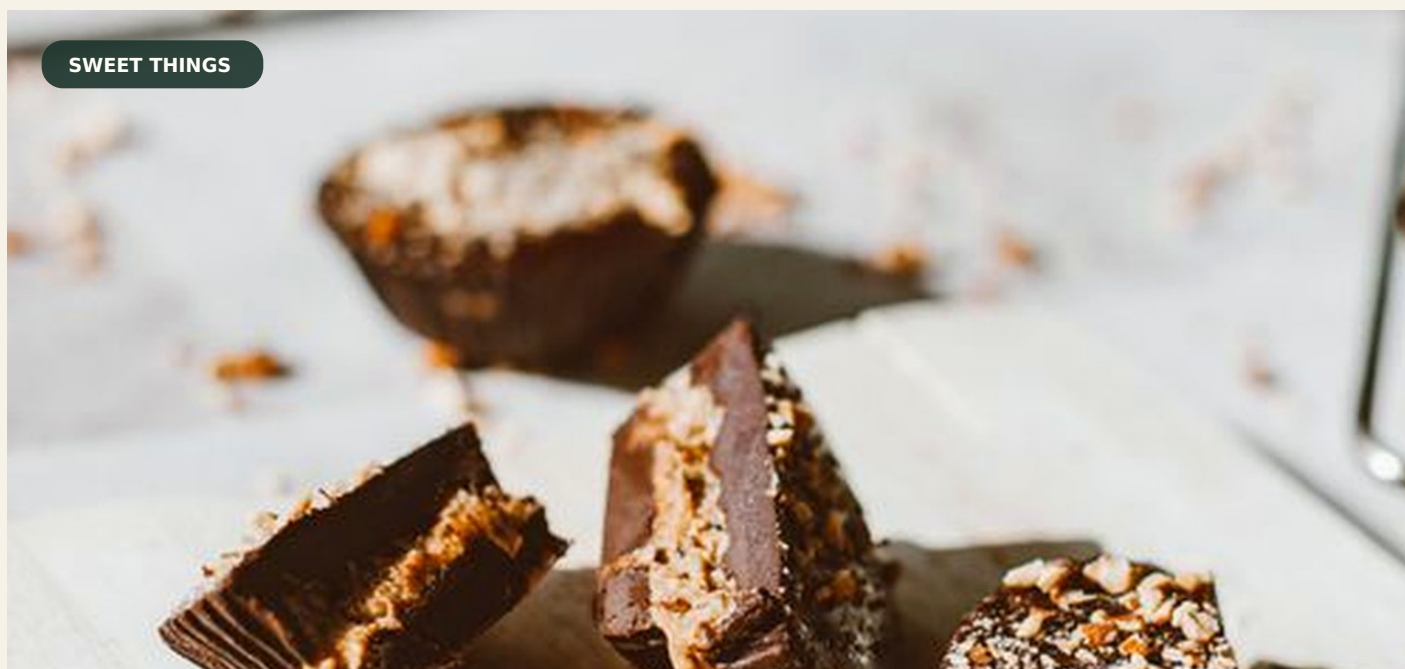

MAKE AHEAD & STORAGE

Store airtight at room temperature for 3 days or refrigerate for up to 1 week. For extra fudgy slices, chill for 30 minutes before cutting.

SERVE IT WITH

Warm brownies with vanilla ice cream, or a little espresso if the grown-ups are staying up.

YOU'LL NEED

12-cup mini muffin pan, paper liners, microwave-safe bowl, small spoon

RECIPE 17 / SWEET THINGS

Chocolate Peanut Butter Cups

Let's make it.

50 MIN TOTAL

- 1 LINE THE PAN**
Place a paper liner in each cup of a mini muffin pan. Make room in the refrigerator or freezer for the pan to sit flat.
- 2 MELT THE CHOCOLATE**
Microwave the chocolate in a dry bowl in 20-second bursts, stirring each time, until smooth. Spoon about 1 teaspoon into each liner and tilt or brush it partway up the sides. Chill 5 to 8 minutes until firm.
- 3 MIX THE FILLING**
Stir peanut butter, powdered sugar, and optional fine salt until thick and smooth. Roll into 12 small balls and flatten each into a disk slightly smaller than the liners.
- 4 FILL AND CAP**
Place a peanut-butter disk in each chocolate shell. Spoon remaining chocolate over the top to cover the filling. Tap the pan gently to level the tops.
- 5 CHILL UNTIL SET**
Add a few flakes of salt if desired. Refrigerate 25 to 30 minutes, until firm. Peel away the liners and serve cool.

ROSIE'S TIP

Make sure the first chocolate layer reaches partway up the liner, or the peanut butter will try to escape out the sides.

MAKE AHEAD & STORAGE

Keep covered in the refrigerator for up to 2 weeks, or freeze for up to 2 months. Let stand 5 minutes before eating for the softest center.

A little bowl of berries or a cup of coffee balances the sweet chocolate.

- 1 tsp vanilla extract

RECIPE 18 / SWEET THINGS

No-Bake Strawberry Cheesecake Cups

Let's make it.

2 HR 25 MIN TOTAL

- 1 MAKE THE CRUMB BASE**
Stir graham crumbs and melted butter until the mixture resembles damp sand. Divide among six jars and press gently with the back of a spoon.
- 2 WHIP THE CHEESECAKE CREAM**
Beat softened cream cheese, powdered sugar, and vanilla until smooth. In a second bowl, whip cold cream to medium-stiff peaks. Fold the whipped cream into the cream-cheese mixture in two additions.
- 3 PREPARE THE BERRIES**
Stir diced strawberries with jam and lemon juice. Let stand 5 minutes so the berries turn glossy and release a little juice.
- 4 LAYER THE CUPS**
Spoon cheesecake cream over the crumb bases, add a layer of strawberries, then finish with another spoonful of cream and a few berries on top.
- 5 CHILL AND SERVE**
Cover and refrigerate at least 2 hours, until the filling is cool and softly set. Keep chilled until serving.

ROSIE'S TIP

Use room-temperature cream cheese and cold heavy cream. One makes the filling smooth; the other gives it a lovely lift.

MAKE AHEAD & STORAGE

Cover and refrigerate for up to 2 days. Add the final fresh strawberry garnish just before serving. Do not freeze in glass jars.

SERVE IT WITH

- 1 tbsp (15 ml) milk
- 1 tbsp (14 g) unsalted butter
- 1 cup (100 g) shredded cheddar

- Kosher salt and black pepper

YOU'LL NEED

Large skillet, nonstick skillet, spatula, foil for freezing

RECIPE 19 / BREAKFAST & BRUNCH

Sausage, Egg & Cheese Breakfast Burritos

Let's make it.

30 MIN TOTAL

- 1 BROWN THE SAUSAGE**
Cook sausage in a large skillet over medium heat, breaking it into crumbles, until browned and 160°F (71°C), about 7 to 8 minutes. Transfer to a plate.
- 2 CRISP THE POTATOES**
Add hash browns to the same skillet. Spread them in a thin layer and cook undisturbed for 3 to 4 minutes, then turn and cook until crisp and golden.
- 3 SCRAMBLE THE EGGS**
Whisk eggs with milk, a pinch of salt, and pepper. Melt butter in a nonstick pan over medium-low. Add eggs and stir gently until soft curds form and no liquid egg remains.
- 4 FILL AND ROLL**
Warm tortillas briefly so they bend easily. Divide sausage, potatoes, eggs, cheddar, and salsa down the center of each. Fold in the sides and roll tightly from the bottom.
- 5 TOAST THE SEAM**
Return burritos seam-side down to a dry skillet over medium heat. Toast 1 to 2 minutes per side until golden and sealed. Serve with extra salsa.

ROSIE'S TIP

Warm tortillas roll without cracking. Cold tortillas have stage fright, and I can't blame them.

MAKE AHEAD & STORAGE

For freezing, leave out salsa, cool the fillings completely, roll, and wrap each burrito tightly in foil. Freeze up to 2 months. Reheat until the center reaches 165°F (74°C).

- 1 large egg
- 1 1/4 cups (160 g) self-rising flour, plus extra for dusting
- 1/2 tsp dried oregano
- 1/3 cup (80 ml) pizza sauce
- 1 cup (100 g) shredded low-moisture mozzarella
- 1/3 cup sliced mushrooms, bell pepper, or pepperoni
- 1 tbsp grated Parmesan, optional

YOU'LL NEED

Fine-mesh sieve, food processor or blender, mixing bowl, parchment, sheet pan

RECIPE 20 / COMFORT FOOD, WITH A TWIST

Cottage Cheese Crust Pizza

Let's make it.

40 MIN TOTAL

- 1 HEAT THE OVEN AND DRAIN**
Heat the oven to 400°F (200°C). Set cottage cheese in a fine-mesh sieve for 10 minutes to remove excess liquid. Blend until smooth.
- 2 MIX THE DOUGH**
Whisk the blended cottage cheese and egg together. Add self-rising flour and oregano; stir until a shaggy dough forms. Turn onto a floured surface and knead gently for 1 to 2 minutes. If it is very sticky, add flour 1 tablespoon at a time.
- 3 SHAPE AND PAR-BAKE**
Press or roll the dough on parchment into a 10-inch (25 cm) round, about 1/4 inch (6 mm) thick. Transfer parchment and dough to a sheet pan. Bake 14 to 16 minutes, until the surface looks set and the edge is lightly golden.
- 4 ADD THE TOPPINGS**
Spread on pizza sauce, leaving a small border. Add mozzarella, chosen toppings, and Parmesan. Return to the oven for 7 to 9 minutes, until the cheese bubbles and the crust is golden underneath.
- 5 REST AND SLICE**
Let the pizza stand for 3 minutes before slicing. The crust firms as it cools slightly. Add basil or red-pepper flakes if you like.

ROSIE'S TIP

Drain the cottage cheese first. Extra water is the enemy of a crisp crust, and the sieve is a lot easier than arguing with the oven.

MAKE AHEAD & STORAGE

Refrigerate slices for up to 3 days. Reheat on a hot sheet pan or in a skillet until the crust is crisp and the center is steaming. Protein content varies by brand and serving size.

SERVE IT WITH

A simple Caesar salad or crunchy vegetables. For another variation, add cooked chicken and spinach.
